REQUEST FOR EXPRESSIONS OF INTEREST

For

Consultancy Services for Construction Supervision of the ‘Design & Build of Adama– Km 60 Expressway’

COUNTRY: Federal Democratic Republic of Ethiopia

NAME OF PROJECT: Ethiopia – Djibouti Transport Corridor Project Phase I: Design & Build of Adama-Km 60 Expressway

SECTOR: Transport

CONSULTING SERVICES: Construction Supervision

PROJECT ID No.: P-Z1-DB0-205

The Government of the Federal Democratic Republic of Ethiopia has received Financing from the African Development Bank towards the cost of Ethiopia – Djibouti Transport Corridor Project Phase I: Adama–Km 60 Expressway, and intends to apply part of the agreed amount for this loan to payments under the contract for the Consultancy Service for Construction Supervision of Design & Build of Adama– Km 60 Expressway.

The services included under this project are furnishing complete engineering services in all respect of monitoring the construction works of the proposed expressway project, including all field & office works in strict accordance with the highest standards of the civil engineering profession as well as with proper interpretation of the duties & responsibilities of the Engineer so that the projects are delivered in high quality, at budget, on time and achieve user’s satisfaction and the Bank’s standards. The envisaged Consultancy Services will be conducted over a period of 66 months which includes 54 months of Design & Construction period and additional 12 months for the Defects Liability Period. Furthermore, the service includes the deployment of several key and support staffs to the project site.

The Ethiopian Roads Authority, representing the FDRE, now invites eligible consulting firms (“Consultants”) to indicate their interest in providing the Services
Interested consultants must provide information indicating that they are qualified to perform the services (core business, years of experience in the business, description of similar assignments, experience in similar conditions, technical and managerial organizational structure of the firm, number of key staffs, availability of appropriate skills among staff, general qualification etc.).
